Jill,

To be honest, though we are working on it, I doubt that we can have the discovery to you by then. If you will not give us an extension, then we will most likely have to file a motion to ask for more time. Given the circumstances of the case, I am fairly certain we would get it.

I will get right back with you regarding depsoion dates.

Tom

Tom:

I have left you several messages regarding this matter. I wanted to let you know that I will need Plaintiffs' responses to Atlas' discovery requests no later than July 25, 2012. I would also like to start scheduling your clients' depositions for the first two weeks of August. Please let me know how you would like to best coordinate these depositions. I look forward to hearing from you.

Thank you,
